

## UNIT III

### THE PERSON I'M BECOMING

What do I really look like?

Have you ever walked through a hall of mirrors at a circus or fair? Remember how each time you stepped in front of a mirror it made you look fat or long, wavy or like beanpole? After looking in about ten mirrors, did you look down at yourself thinking, "What do I really look like?" "How do other people see me?"

Have you ever wondered what you really "look like" as a Christian? When you accepted Christ, you began a relationship with a unique God—Father, Son, and Holy Spirit. It's the most important relationship you have. Because of that, you need to see yourself through His eyes before anyone else's.

The Bible says you become a new creature when you receive Jesus Christ as your Savior. What about that creature you're becoming...?
