

UNIT IV THE PROCESS OF BECOMING A NEW PERSON

Now that you have come to know Christ

Now that you have come to know Christ and have begun to understand more who He is and who you are from His perspective, it is very important that your special relationship with Him continues to grow. This means that your life-style, your way of living, will need to reflect that new relationship.

Remember, you are in the process of becoming a new person and you need to live like it!

WHAT ARE MY PRIORITIES?

IV. THE PROCESS - A. Priorities

Probably one of the most basic and recurring struggles in a Christian's walk with Christ is the determining of priorities. Life is filled with many things to do and important relationships that make demands on your time. In the midst of this, it is often difficult to discern the right priorities—to determine how God would have you live and use your time.

As you study God's Word, the Bible, you'll discover three main priorities for the Christian life. These include:

1. Growing in your commitment to Jesus Christ
2. Growing in your commitment to the body of Christ—other Christians
3. Growing in your commitment to the work of Christ in the world

It is important to understand the importance of these three priorities and continually keep them in balance. Otherwise your perspective can become confused and you will experience more pressure than God intended in deciding what to do and where you are going in life.

Let's take a look in Scripture at one place Jesus talks about these priorities.

1. Ask God to help you understand His priorities for your life. Then read John 17:1-26.
2. What does Jesus ask of the Father? Write out the different requests in your own words. List as many things as you can.
