IV. THE PROCESS - D. Life Outside the Body of Christ - 3. Your Witnessing

Pray today that God will help you witness to your non-Christian friends out of love for Him and love for them.

1. Now read John 3:16-18.

2. Compare and contrast the conditions of those who believe in Christ to those who do not. How are they alike? How are they different?

Those who believe
believe

Those who do not

3. Write down the names of three of your friends who are not Christians.

4. What will happen to them if they do not believe in Jesus?

What will change if they decide to believe in Him?

5. It is very important that these friends learn about Jesus. When will you be with them and share Jesus with them?

Talk over your plans and ideas with God and ask right now for His help and guidance.

6. Read Acts 1:8—Jesus' last words before His ascension.

7. The apostles lived in Jerusalem, which is a city in Judea, near Samaria. According to Christ's instructions, where were they to witness for Him?

8. Read the verse again, but substitute the name of your city for "Jerusalem," your state for "Judea," and a neighboring state for "Samaria." The command is written out for you below. Fill in the blanks.

"You, _____,
(your name)
come upon you; and you shall be a witness to Me, Jesus Christ, in
_____ and in _____ and _____
(your city) (your state) (neighboring state)

and even to the remotest parts of the earth."

Now read the command.

9. Where and to whom will you begin to witness about Jesus Christ?

The best way to start is to share Christ's love with people you already know personally, people in your "Jerusalem." Pray that God will help you share what you know of Christ with your three friends you listed on this page. Also pray that they will receive Christ as their Lord.

(P.S. By no means do you have to limit this list to just three friends!)

10. Memorize Acts 1:8, both in the original version with "Jerusalem, Judea and Samaria" and in the personal version you completed above.
